

The DCEMSA monthly meeting was held on April 25, 2023. Meeting was called to order at 7:04 pm. Secretary report was approved with a motion by Amy and a 2nd by Mike with motion carried. Treasurer report was approved with a motion by Karen and a 2nd by Ryan with motion carried.

There was no agenda for the meeting as Pat Daly has taken over the president position as Zach has resigned his position. The new board member from Milford is Mac Arndt. There is a go to meeting on the 26th at the building from 7 to 9 with the topic being "Trends in Trauma" for 2 hours of continuing education. Special shout out to Deanne's boy for making and installing the new hand rail outside the front door.

Chris Y. is filling out an assessment for the regional area and county about the Iowa System Standard. If the assessment isn't filled out the 10% of the money is depleted. Chris read the questions to us and we all helped him with the answers and the ones we didn't know he was going to get help with answering them the right way. CQI books will need to be updated and a meeting with all the leaders will also need to be held before the inspections in June. The board would like to thank Chris for filling out the survey and for taking the time to call the representative to get some answers as well.

Conference still being work on. Amy is going to get a hold of John and reserve the EXPO building for the conference this year. Board needs to see if Terril is still willing to do the food this year. Need to focus on getting the information out as soon as possible.

Motion to adjourn was made by Amy at 8:20 pm and was seconded by Mac. Next meeting is scheduled for May 30th.
