We have received the money from Area 7. In 2025 the American Heart new curriculum is coming out. STOP THE BLEED – Sam has been volunteering his time to teach this – is it okay if we pay him for his time. Normally the instructor for this class gets \$30 per class. Okoboji and Spirit Lake are left to teach – need to add something to the website about the STOP THE BLEED class – class usually takes an hour to teach. We need to figure out a way to get more people involved and more people to attend the meetings. The new people for the 3 counties that are up this year should attend the next meeting. County wide exercise is set for April 12th and will be an Active shooter. In Feb. and March there will be classes to prep for the countywide exercise. Meeting was adjourn at 8:27 pm and the next meeting is Nov. 26, 2024. Hope to see you there.
